OUTDOORS FOR ALL FOUNDATION

Welcome to Winter at Outdoors for All!

The Outdoors for All Foundation is a national leader and one of the largest nonprofit organizations providing year-round adaptive instruction in outdoor recreation for people with physical, developmental, and sensory disabilities.

Outdoors for All's year round programming includes snowboarding, snowshoeing, cross country and downhill skiing, cycling, hiking, kayaking, day camps, rock climbing, and MORE. We enable participants to enjoy these activities by offering individual lessons, group programs (Custom Events) and rental programs.

Our winter season is one of our longest running programs and one of our most popular volunteer opportunities! Included in this brochure are various winter volunteer job descriptions and responsibilities. We are in need of volunteers with varied interests and expertise, and we look forward to having you join us as we encourage everyone to "exercise their abilities"!

Here is a glimpse at how you can get involved as a volunteer in our 2014-2015 winter programs.

The Summit at Snoqualmie:

A SEVEN week series (January—February) and a THREE week series (March) include downhill ski and snowboard lessons located at Summit West. Simultaneous cross-country ski and snowshoe lessons will take place at Summit East (Hyak). Our greatest volunteer need at The Summit is on Saturdays (downhill skiing and cross-country skiing) and Sundays (downhill skiing) during the day. Smaller programs take place on Wednesdays (SKIHAWKS), Friday and Saturday evenings.

Injured Military Program:

Thanks to our partnership with Wounded Warrior Project (WWP), Outdoors for All is offering a SEVEN week series (January-February) for both WWP Alumni and members of the Warrior Transition Battalion at Joint Base Lewis-McChord. This series will include downhill ski and snowboard lessons in a variety of adaptive disciplines, and all lessons will be located at Summit West. There are also opportunities to volunteer for travel programs and one day events throughout the winter.

Stevens Pass:

A SEVEN week series (January-March) include downhill ski, snowboard, cross-country ski, and snowshoe lessons. Programs at Stevens Pass take place on Saturdays and Sundays.

Day Camps:

Volunteers help during school winter and spring break Day Camps. We take individuals with and without disabilities out to enjoy some great outdoor recreation experiences such as hiking, indoor rock climbing, snowshoeing and sledding. We are always in need of volunteers for our Day Camp programs! Help one day or help all week!

Custom Events:

Each year, Outdoors for All partners with a variety of community organizations to bring the fun of outdoor recreation directly to parks departments, hospitals, schools, etc. Mid-week, weekend, and one-time volunteer opportunities are available through our Custom Event program. Activities include snowshoeing, rock climbing, cycling, and more!

VOLUNTEER BENEFITS

Volunteering with Outdoors for All is an immensely rewarding experience. As a volunteer, you will have the opportunity to empower our participants to do things they themselves never thought possible! Because of all your time and dedication to Outdoors for All, our partner mountain resorts offer discounts to you as a volunteer!

The Summit at Snoqualmie:

Substitute Instructors, new Van Drivers and Chaperones, new Equipment Managers and new Office Assistants are eligible to receive a complimentary lift ticket for each lesson day. Tickets are good for a full day of skiing or snowboarding. Other volunteers (Instructors, Lead Volunteers, Coaches, and Loading Assistants) are eligible to purchase a discounted season pass from The Summit for \$76.02 OR a discounted all-access season pass, including Alpentel for \$130.32. All returning chaperones and van drivers who commit to a full seven week series are also eligible for a discounted season pass!

Stevens Pass:

All volunteers are eligible to receive a complimentary lift ticket for each lesson day. Tickets are good for a full day of skiing or snowboarding. A discounted season pass \$161.81 will be available for volunteers who commit to a full seven week series. This pass is good for both Nordic and Alpine volunteers. All returning chaperones and van drivers who commit to a full seven week series are also eligible for a discounted season pass!

PLEASE NOTE: Pass applications will be distributed to qualifying NEW volunteers after the first weekend of on-snow training, pending approval into the program. Volunteers who commit to a full lesson series, and who receive a discounted season pass, must fulfill the full seven week series. If you are absent for a lesson, we ask that you make up any missed days in our March/Spring programs, or during one of our other winter activities. (Season pass discounts do not apply to Substitute Volunteer roles). March volunteers are also eligible for a season pass once they complete the online training or attend Dryland training. However, if March program volunteers purchase a pass and do NOT volunteer for a minimum of 3 days in March, they will be charged for the full cost of the season pass.

VOLUNTEER POSITION DESCRIPTIONS

The following descriptions of Outdoors for All's winter volunteer opportunities provide a basic guideline for each position. Additional or different responsibilities may be asked of volunteers as needed. The minimum age requirement for volunteers is 16-years old, with the exception being Cadet Instructors (ages 13-15). **Mandatory training sessions are required for all volunteers.**

Instructor (Alpine, Cross-Country, Snowshoe & Snowboarding):

Instructors provide a safe, fun and positive learning experience for Outdoors for All's program participants. As an Outdoors for All instructor, you will use lesson plans and outlines to help participants improve their skills on the snow, complete regular progress reports to track their successes, and comply with all program safety regulations. If you cannot commit to the full lesson series, please sign-up as a Substitute Instructor. Instructors committing to a full seven week lesson series are eligible for a discounted seasons pass. Substitute Instructors will receive a lift ticket for day that they are volunteering.

Substitute Instructor:

Substitute Instructors fill-in on days when full-time volunteers call in sick or cannot make it to programs. When registering as a Substitute Instructor, you MUST specify the dates that you are available. Substitute Instructors are expected to come to programs on the dates they provide during registration. Substitute Instructors will receive a lift ticket for each day that they are volunteering. As a substitute you are NOT eligible for a discounted season pass; you must commit to a full seven week lesson series to be eligible for a discounted season pass.

Cadet Instructor:

Individuals ages 13-15 who are interested in volunteering may apply for an instructor-in-training position. Cadets serve as assistants to primary instructors, assisting children and adults with disabilities during on-snow outdoor recreation activities. Cadet positions are available at all mountain programs and locations. To register as a Cadet Instructor, use the regular instructor registration and write "Cadet" in the description. Cadet Instructors committing to a full seven week lesson series are eligible for a discounted seasons pass.

Loading Assistant:

Loading Assistants help our Instructors to provide a safe, fun and positive learning experience for Outdoors for All's program participants. Volunteers assist instructors to get participants and adaptive equipment properly situated on the chair lifts. Loading Assistants must be able to lift a minimum of 60 lbs (with occasional 100 lbs lifts onto the chair lifts). Volunteers committing to a full seven week lesson series are eligible for a discounted seasons pass.

SKIHAWKS Coach:

SKIHAWKS was formed in 1982, and over the course of two decades, it has grown from one athlete with a disability to over 80 downhill skiing, cross-country skiing and snowboard racers. The program is aimed primarily at providing a chance for athletes to enjoy success in a sport, and to generate team pride and sportsmanship; the program also provides many social benefits for athletes, families and volunteers alike! SKIHAWKS coaches assist with winter sports training and competitions, which enhances athletes' lives by building self-esteem, confidence and independence. Coaches committing to a full lesson series are eligible for a discounted seasons pass.

Race Course Crew:

Race Course Crew duties include hauling gates, banners and drills, shoveling, helping set and maintain the course and safety banner, and breaking down the course at the end of the day. The Race Course Crew is required to arrive one hour before race programs start and to stay one hour past the end of programs each day. Volunteers committing to a full lesson series are eligible for a discounted seasons pass.

Bus/Van Driver:

All new Bus and Van Drivers must attend a mandatory driver training before the start of programs; returning volunteers must complete this training every two years. Drivers are expected to pick-up all necessary vehicles, equipment and supplies on-time, to check the weather and road conditions prior to departure, and to complete a safety inspection of the vehicle both prior to departure and upon return. Outdoors for All Drivers must obey and follow all state laws and speed limits. After assisting passengers to load/unload and securing the vehicle in an appropriate parking location, volunteers are free to ski during scheduled lesson times! First year volunteers will receive a lift ticket for the days that they are volunteering. Returning volunteers are eligible for a discounted season pass. Bus and Van Drivers must be a minimum of 21-years old.

Bus/Van Chaperone:

Bus and Van Chaperones are expected to supervise passengers at all times during transit, as well as at designated pick-up and drop-off locations. Volunteers will take attendance, maintain passengers' safety, and report any concerns, behavior problems and/or safety issues to an Outdoors for All staff person in a timely manner. Bus and Van Chaperones are free to ski during scheduled lesson times. First year volunteers will receive a lift ticket for the days that they are volunteering. Returning volunteers are eligible for a discounted season pass.

Equipment Manager:

Equipment Managers are expected to conduct a pre-season organization and evaluation of Outdoors for All's winter equipment. Managers coordinate the repair and maintenance of equipment as needed (including waxing and tuning), monitor the availability and return of specialized equipment, and organize the equipment in appropriate storage areas. Volunteers will also help adjust bindings and make minor on-site repairs. At the end of the season, Equipment Managers conduct a post-season evaluation and organization of the equipment. First year volunteers will receive a lift ticket for the days that they are volunteering. Returning volunteers are eligible for a discounted season pass.

Mountain Office Assistant/Lodge Chaperone:

Volunteers in this category respond to phone calls from Bus/Van Chaperones, assist with attendance and check-in, distribute lift tickets to participants and conduct emergency procedures when required. Office Assistants and Lodge Chaperones also help staff troubleshoot unforeseen off-snow circumstances, and they occasionally supervise participants during lunch or breaks. First year volunteers will receive a lift ticket for the days that they are volunteering. Returning volunteers are eligible for a discounted season pass.

Cross-Country Ski or Snowshoe Touring Instructor:

Looking for a little more adventure this winter? Ski or snowshoe a different trail each week utilizing the SnoPark trail system in the Mt. Baker Snoqualmie National Forest. The Touring program is designed for participants who do not require access to a lodge during their daily sessions. In addition to providing a safe, fun and positive learning environment for Outdoors for All's program participants, volunteers can expect to be a part of the lively social interaction that takes place during lunch as a group on the trail. Touring programs are only offered at The Summit at Snoqualmie.

VOLUNTEER REGISTRATION & TRAINING DATES

Training is required for ALL volunteers. You can register on-line: www.outdoorsforall.org or by phone: 206.351.9070 x200.

For questions regarding winter training information and/or requirements, please contact our office.

Registration Due Date: December 5th, 2014

If you miss our winter volunteer registration due date, please contact our office regarding how you can still get involved as a volunteer with our winter programs. We still accept registrations past the December 5th due date, but cannot guarantee placement in program or mountain location of your choice. You still must attend our mandatory trainings.

DRYLAND TRAINING

During this all-day event, we will equip volunteers with training and expertise necessary for a successful, enjoyable and safe winter season. This is a great opportunity to meet other volunteers, learn more about Outdoors for All, improve your skills through a variety of classes and answer all your questions about how to be involved. Returning volunteers are encouraged to attend dryland training but have the option to take an on-line training as an alternative.

Saturday, October 18th, 2014: 8am - 1pm

The Brig, Magnuson Park
6344 NE 74th Street
Seattle, WA 98115

Dryland Training is required for ALL NEW volunteers!

If you can not attend Dryland Training, there is an alternate training date:

Thursday, November 13th, 2014: 6pm - 9pm

Magnuson Park Office
6344 NE 74th Street, Suite 102
Seattle, WA 98115

Alternate Dryland presentations focus primarily on safety and Outdoors for All general program information.

ON-LINE TRAINING

All volunteers (new and returning) are required to take online training. You must complete online training before on-mountain training. For returning volunteers, you will receive an application for your discounted seasons pass once online training is completed. You should budget about two hours to review the materials and answer questions. On-line training will be e-mailed out with registration. If you have any questions about the on-line training, please contact Connor Inslee:

206.838.6030 x224 or connorinslee@outdoorsforall.org

ON-MOUNTAIN TRAINING

Clinics run from 9am - 3pm with a 1 hour break for lunch. They will cover topics such as risk management, teaching progressions, and tricks of the trade. New volunteers will be charged \$35 to cover lift tickets the first weekend of training.

SPRING / MARCH PROGRAMS

Want to volunteer for our winter program but can't commit to seven weeks? Then come join our Spring March series. This series is two or three weeks long and offers the perks of spring skiing: sunshine, warmer temps and less layers!

March volunteers are eligible for a season pass once they complete the online training or attend Dryland training. However, if March program volunteers purchase a pass and do NOT volunteer for a minimum of 3 days in March, they will be charged for the full cost of the season pass.

MARCH TRAINING

MARCH DRYLAND TRAINING: February 11th, 2015: 6 pm - 8 pm

Dryland training will take place at our Magnuson Park Office.

MARCH ON-MOUNTAIN TRAINING: February 14th & 15th, 2015: 9 am - 3 pm

On-mountain training will take place at respective program locations.

FITTING & ASSESSMENT VOLUNTEERS*

Wednesday, November 12th, 2014
4:45 - 8:15 pm Magnuson Park Office

Outdoors for All will be offering the opportunity to check out adaptive downhill and cross country gear. Volunteers are needed to help assist participants get fitted and show adaptive equipment.

**Previous volunteer involvement with Outdoors for All is required to participate in this volunteer opportunity.*

CUSTOM EVENT VOLUNTEERS

Group & individual volunteers needed! Do you have a corporate, church or community group that is looking for a group volunteer experience helping people with disabilities enjoy the outdoors? Each year Outdoors for All partners with a variety of community organizations, parks and recreation departments, military groups, hospitals and schools to bring the fun of outdoor recreation directly to an organization. Mid-week, weekend, and onetime volunteer opportunities are available through our Custom Events program. Check our online registration site or call for more info about our volunteer needs. Volunteers help with a variety of outdoor activities including snowshoeing, adaptive cycling, hiking, rock climbing and more!
Contact us to find out more: 206.838.6030 x208 or e-mail us at volunteer@outdoorsforall.org.

MILITARY PROGRAM VOLUNTEERS

Outdoors for All is expanding the number of military programs offered throughout the 2014 - 2015 winter season. Along with offering wounded veterans ski and snowboard lessons, Outdoors for All will also have a number of one day events at the Summit Nordic Center and Summit Tubing Center. There will also be some traveling ski and snowboard programs. Volunteers will be needed to facilitate one-on-one lessons with veterans and occasionally group activities with veterans' family members. Check the "injured military" volunteer page on line for more info or e-mail military@outdoorsforall.org

WINTER & SPRING BREAK DAY CAMP

Outdoors for All Day Camps are inclusive camps designed for children and adults with and without disabilities ages 5-21. Campers will be on the move enjoying on and off-snow activities that may include inner-tubing, snowshoeing, rock-climbing, cycling, hiking, and trips to zoos, parks and lots of other fun places! Volunteers are needed to help provide a safe and fun environment. Minimum age for Day Camp volunteers is 16 but we do have a Junior Cadet Camp Counselor Volunteer position for those 13 - 15. Cadet Counselors help our main staff and volunteers in helping our day campers. Come out and play!

Position	Day & Time
Day Camp Volunteer	December 22, 23, 29, 30, 31
Day Camp Volunteer	February 16th - 20th, 2015
Day Camp Volunteer	April 6th - 10th, 2015
Day Camp Volunteer	April 13th - 17th, 2015

MORE VOLUNTEER OPPORTUNITIES

Our work wouldn't be possible without you! Support staff volunteers are ALWAYS needed to assist with various tasks throughout the year. Come share your talents! Times and locations are flexible and your help is extremely appreciated. Here are some other opportunities we are seeking volunteers for:

FUNDRAISING EVENTS:

Are you an energetic person who likes to lead the party? Outdoors for All has multiple fund raising events a year in need of fun-loving and charismatic volunteers. Major events include our gala auction on October 25th, 2014 and Spree at Alpentel on March 14, 2015.

OUTREACH EVENTS:

Do you enjoy singing the praises of Outdoors for All? We are looking for volunteers to be our ambassadors and to speak about our organization at community outreach events.

For more information about any of these opportunities, contact our Volunteer Coordinator, Rebecca Langham, at volunteer@outdoorsforall.org or 206.838.6030 x208

OTHER WAYS YOU CAN SUPPORT OUR MISSION

DONATE TODAY:

Would you like to make a one-time donation to the Outdoors for All Foundation? You can send a check payable to Outdoors for All Foundation or do so on-line at www.outdoorsforall.org/donate.

WORKPLACE GIVING:

Does your company offer Workplace Giving? It's an easy and convenient way to support Outdoors for All throughout the year via payroll deduction. Learn more about how to contribute to Outdoors for All via your Workplace Giving campaign or contact Development Manager, Thera Zylstra at TheraZylstra@outdoorsforall.org or 206.838.6030 x225

COMPANY MATCHING:

Did you know many companies offer a matching gift program to encourage philanthropy among their employees? And some companies will even match to spouses and retirees. Do you work for a matching gift company? If so, you can possibly double or even triple your contribution of time or money! Many companies will match your donation or pay us for your volunteer time. Ask your HR department if your company participates and record your hours and/or donations.

AMAZON SMILE:

AmazonSmile is a simple and automatic way for you to support Outdoors for All every time you shop, at no cost to you. When you shop at smile.amazon.com, you'll find the exact same low prices, vast selection and convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate 0.5% of the price of your purchases to the charitable organization of your choice.

SAVE THE DATE

OUTDOORS FOR ALL SKI BALL: 13th Annual Gala Auction

October 25, 2014

Seattle Marriott Waterfront, 2100 Alaskan Way, Seattle

Join us for another fun filled evening benefiting Outdoors for All. As our largest fund raiser of the year, this unique gala event will feature one of a kind auction items including top of the line gear, travel, exclusive experiences, and more! Come in your black tie or après ski attire.

SPREE AT ALPENTAL

March 14, 2015

It's a party on the slopes! Not only that, our Spree at Alpentel is an exciting team fund raising event featuring ski and snowboard demos from top of the line reps, a race course, live music, and a beer garden. We can't promise good weather but we can promise a good time!
