### ADAPTIVE CYCLE CENTER:

Outdoors for All has one of the largest selections of adaptive cycles in the country! Our fleet includes:

- Handcycles, for individuals with lower body impairment
- Three-wheeled trikes, for those seeking more stability
- Tandem cycles (in-line and side-by-side), for individuals who want a guide while riding
- Children's cycles

### ASSESSMENTS & FITTINGS:

- FITTING \$40/ 30 min: Strongly recommended for first time rentals. One-on-one session with trained staff who will make a recommendation for a cycle to match your needs; plus additional modifications and equipment.
- ASSESSMENT \$115/ 1.5 hours: Want to get more out of your recreation? Schedule an in depth consultation with a Certified Therapeutic Recreation Specialist. Assessment features an informal physical evaluation and discussion of your goals and objectives. You will be provided a list of programs, activities and adaptations specific to your needs and fitness goals.
- Fittings and Assessments must be scheduled in advance

### RENTALS:

Adaptive cycles are available to rent by appointment year-round. From mid-May through early September, the Adaptive Cycle Center has drop-in hours from 10am-4pm, Friday-Sunday. Cycles are available hourly, daily and for 5-day rentals. Pricing starts at \$15 per hour or \$40 per day. Season passes are available for \$100.

We strongly recommend calling ahead to schedule your rental.

### PRIVATE LESSON:

\$75 /1 hour: Available upon request.  
\*Prices do not include sales tax.
