

Outdoors for All Foundation's 16th Annual Gala Auction

We invite you to support Outdoors for All Foundation for our 16th annual Ski Ball Gala Auction! This cheerful event will bring 400 generous people together to support our mission of *enriching lives of children and adults with disabilities through outdoor recreation.*

Why do we need your help?

- Outdoors for All continues to grow and reach more participants year after year. From 2012-2014, the number of participants increased from 2,000 to 2,400. Help us to sustain this growth!
- According to the 2012 Census, about 65,000 people living in the Seattle area reported living with a disability. You can help us reach more people living with disabilities and enrich more lives!
- Outdoors for All's reach has been expanding to reach more individuals in the Greater Puget Sound area, east into Idaho and south into Oregon.

What does your donation turn into?

- Your donation will support programs in adaptive cycling, rock climbing, kayaking, cross-country and downhill skiing, snowboarding and more.
- Outdoors for All's drop-in cycling rental programs expanded summer of 2014 to Fridays, Saturdays, and Sundays to help us get closer to achieving our vision of children and adults with disabilities to be able to recreate when they want.
