

OUTDOORS FOR ALL Alpine Level 1 Exam 2018/19

Spaces for the Outdoors for All in-house exam will be filled on a first come, first serve basis. In 2018/19 Outdoors for All received a grant in order to cover the costs of the exam and first year membership fees for any volunteer accepted to the training. Please note, in following years you will be required to pay yearly membership dues to keep your certification current (see below for details).

All of the information regarding PSIA & AASI Certification can be found on the psia-nw.org website. This checklist is to help you navigate and track towards the exam process through clinics and teaching with Outdoors for All. Please ensure that you have adequate time to complete these steps taking into consideration your timeline and exam date.
