OUR MISSION

To enrich the quality of life for children and adults with disabilities through outdoor recreation.

PHILOSOPHY

Outdoors for All camps provide an active camp environment for children and their siblings ages 7 and up. Our camps strive to build each camper’s social development, self-confidence, and fine and gross motor skills by accommodating the needs of each camper. Camps are designed to provide a welcoming, fun, and nurturing environment. Activities are structured as “challenge by choice”, allowing for a wide variety of abilities, fitness, and fun! All activities and camps can serve participants with any diagnosis. Each activity is made accessible with adaptive equipment and accessible recreation

COVID -19 ESSENTIAL ELIGIBILITY CRITERIA

The health and safety of all individuals engaged in Outdoors for All activities is our highest priority. Following the Washington State Department of Health Guidelines and Healthy Washington - Roadmap to Recovery program, Outdoors for All is asking all participants, staff, family members, volunteers, and caregivers to follow the below Essential Eligibility Criteria while our community continues to face impacts from the novel coronavirus, or COVID-19. Essential Eligibility Criteria (EEC): All individuals participating in Outdoors for All’s in-person programming must acknowledge and be capable of performing the following functions in order to protect themselves and others from risks of spreading the COVID-19. If an individual cannot perform or is unwilling to follow the following EEC, Outdoors for All reserves the right to ask the individual to leave the program area and dismiss the individual from future participation in Outdoors for All programs.

CAMPS/REGISTRATION

Outdoor recreation activities such as cycling, swimming, hiking, kayaking, and rock climbing are the core of Outdoors for All day camps. In addition, we also take trips to local zoos, parks, aquariums, and other fun-filled community excursions. During each session campers will enjoy the wonders of outdoor recreation, make new friends, and take part in new and exciting

experiences. Campers will need to bring their own lunch/ snacks, water, and dress appropriately for the specific activity and weather. Outdoors for All operates weekday camp sessions over the summer, Monday - Friday, generally between the hours of 9am and 3pm. Adult Adventure Days participants can register for specific days (with a three-day minimum) through our Flexible Registration. Youth camp registration is by the week. You can sign up for as many camps as your heart desires! Come to one or come all summer long. To sign up for camps register online at www.outdoorsforall.org or by calling the office at (206) 838-6030 x200. Please note that Outdoors for All camp managers will need to approve participant eligibility before being able to confirm their registration. For questions regarding the new registration process, please contact Elliot Howard at ElliotH@outdoorsforall.org.

STAFF

Outdoors for All camp staff are trained instructors in adaptive recreation and passionate about bringing the outdoor experience to each individual. All staff members are trained to deliver Outdoors for All programs with an emphasis on safety, then fun and learning. Camp staff members are provided the tools and training to help improve fine and gross motor skill development, encourage positive peer modeling and facilitate the unique sensory and varied social abilities of our campers. This typically enables a one (staff/ volunteer) to three (camper) ratio at many camps. Please see behavior policies on this page regarding caregiver requirements for campers who have medical, toileting, or behavioral needs that our standard ratios may not be able to support. The Outdoors for All Foundation will not discriminate in any of our endeavors on the basis of disability, race, religion, sexual orientation, or national or ethnic origin.

BASE CAMP PICK-UP AND DROP-OFF LOCATIONS

Outdoors for All is committed to meeting the needs of campers and families. In addition to our base camps, we offer multiple pickup and drop-off locations per camp. Please check camp description for pick-up locations specific to the camp you plan to attend. *NOTE: Transportation to and from camps is offered at no additional charge but an RSVP through registration is REQUIRED. Pickup and drop-off locations will extend the regular camp hours of 9am – 3pm to allow time for pick-up and transport to base area camps. Maps and directions to Outdoors for All Day Camp pick and drop-off locations are in your final confirmation.

BEHAVIOR POLICY

Outdoors for All staff are dedicated and trained to help all campers have a successful experience at camp. If your child requires 1:1 care during the school day, they will need a caregiver at camp as well. This includes medical needs, behavior concerns, wandering tendencies, as well as assistance with toileting or changing clothes. If this kind of supervision is necessary, a caregiver or chaperone is REQUIRED to accompany the participant at no additional fee. Please note at registration if a caregiver will be attending. If you are not sure whether Outdoors for All day camp is the right camp choice for your child, please contact our office to request an assessment and ensure a safe and successful experience.

CANCELLATION POLICY

Should you need to cancel an activity for which you are registered, please notify the Outdoors for All office at least 7 business days before the activity is scheduled to begin in order to receive a refund. Should you need to change your registration to a different activity, please contact the office as soon as possible. If Outdoors for All must cancel an activity and cannot reschedule, a full refund will be offered. If a participant cancels an activity and does not notify the office at least 7 business days prior to the activity, the participant will be responsible for the full balance. No discounted rates are given due to participant absence or choice of nonparticipation.
