Outdoors for All Summer Camps

OUR MISSION

To enrich the quality of life for children and adults with disabilities through outdoor recreation.

PHILOSOPHY

PHILOSOPHY Outdoors for All youth camps provide an active environment for children ages 7 and up that focus on social connections and trying new things in the outdoors! Adult Adventure Days provide opportunities for those over age 18 that hope to build community and stay active through outdoor recreation all summer long. Our camps strive to build each camper's social development, self-confidence, and fine and gross motor skills by accommodating the needs of each camper. Camps are designed to provide a welcoming, fun, and nurturing environment. Activities are structured as "challenge by choice", allowing for a wide variety of abilities, fitness, and fun! All activities and camps can serve participants with any diagnosis. Each activity is made accessible with adaptive equipment and accessible recreation.

COVID -19

The health and safety of all individuals engaged in Outdoors for All activities is our highest priority. As we emerge from the pandemic all we ask is that you stay home when you are feeling unwell. Please be considerate of those around you by making the decision to miss a day of camp if it means keeping others healthy. Outdoors for All will not be requiring vaccinations, mask wearing, or other precautions at this time, but will be following Washington State Guidelines if changes arise.

CAMP/REGISTRATION

Outdoor recreation activities such as cycling, swimming, hiking, kayaking, and rock climbing are the core of Outdoors for All day camps. In addition, camps also take trips to local zoos, parks, aquariums, and other fun-filled community excursions. During each session campers will enjoy the wonders of outdoor recreation, make new friends, and take part in new and exciting experiences. Campers will need to bring their own lunch/snacks, water, and dress appropriately for the specific activity and weather. Outdoors for All operates weekday camp sessions over the summer, Monday - Friday, between the hours of 9am and 3pm. Adult Adventure Days participants can register for specific days (with a three-day minimum) through Flexible Registration. Youth camp registration is by the week. You can sign up for as many camps as your heart desires! Come to one or come all summer long. To sign up for camps register online at www.outdoorsforall.org. Registration will open on March 20th for the summer and February 21st for Spring break camps. For questions regarding the registration process, please contact programs@outdoorsforall.org.

STAFF

Outdoors for All camp staff are trained instructors in adaptive recreation and passionate about bringing the outdoor experience to each individual. All staff members are trained to deliver Outdoors for All programs with an emphasis on safety, then fun and learning. Camp staff members are provided the tools and training to help improve fine and gross motor skill development, encourage positive peer modeling, and facilitate the unique sensory and varied social abilities of our campers. This typically enables a one (staff/ volunteer) to three (camper) ratio at youth camps and a one (staff/volunteer) to four (camper) ratio in the adult programs. Please review behavior policies on this page regarding caregiver requirements for campers who have medical, toileting, or behavioral needs that our standard ratios may not be able to support. The Outdoors for All Foundation will not discriminate in any of our endeavors on the basis of disability, race, religion, sexual orientation, nationality, or ethnicity.

BASE CAMP PICK-UP AND DROP-OFF LOCATIONS

Outdoors for All is committed to meeting the needs of campers and families. In addition to our base camps, we offer multiple pick-up and drop-off locations per camp. Please check camp description for pick-up locations specific to the camp you plan to attend. *NOTE: Transportation to and from camps is offered at no additional charge but an RSVP through registration is REQUIRED. Pick-up and drop-off locations will extend the regular camp hours of 9am – 3pm to allow time for pick-up and transport to base area camps. Maps and directions to Outdoors for All Day Camp pick and drop-off locations can be found in your final confirmation.

BEHAVIOR POLICY

Outdoors for All staff are dedicated and trained to help all campers have a successful experience at camp. If your child requires 1:1 care during the school day, they will need to bring a caregiver to camp as well. This includes medical needs, behavior concerns, wandering tendencies, as well as assistance with toileting or changing clothes. If this kind of supervision is necessary, a caregiver or chaperone is REQUIRED to accompany the participant. Please note at registration if a caregiver will be attending. Outdoors for All does NOT provide 1:1 care, a caregiver must be provided by the participant if needed. If you are not sure whether Outdoors for All day camp is the right camp choice for your child, please contact our office to request an assessment and ensure a safe and successful experience.

CANCELLATION POLICY

Should you need to cancel an activity for which you are registered, please notify the Outdoors for All office at least 14 business days before the activity is scheduled to begin in order to receive a full refund. Should you need to change your registration to a different activity, please contact the office as soon as possible. A \$25 transfer fee will be applied. If Outdoors for All must cancel an activity and cannot reschedule, a full refund will be offered. If a participant cancels an activity and does not notify the office at least 7 business days prior to the activity, the participant will be responsible for the full balance. No discounted rates are given due to participant absence or choice of nonparticipation.

FINANCIAL SCHOLARSHIPS

Outdoors for All's aim is to remove economic barriers that may prevent participants from accessing the outdoors. Thanks to grants and the generosity of our donors, Financial Scholarships are available to participants based on the availability of funding and participant need. Awards range up to 90% of activity costs up to \$2000 per participant per season. Partial financial scholarships are awarded in accordance with the guidelines listed on the scholarship application form in a "first come, first served" manner.

To apply for a Financial Scholarship:

1. Visit our website at <https://outdoorsforall.org/>
2. On our website go to: "PROGRAMS"
3. Click on: "Registration & Financial Information"
4. Look for "PARTICIPANT REGISTRATION"
5. Click-on: "FINANCIAL SCHOLARSHIP"

VOLUNTEER

Volunteers are the heart of Outdoors for All. Each year over 900 volunteers donate their time to join our many recreational activities that benefit people with disabilities. Volunteer opportunities include: cycling, hiking, kayaking, rock climbing, weekend excursions, summer camps, skiing, snowboarding, snowshoeing, fundraising events, internships and committees. We are always looking for reliable and enthusiastic volunteers to join our team. Volunteering with Outdoors for All is a great way to contribute something positive to your community and help make a difference in someone's life. For more information about volunteer opportunities visit our website or email: volunteer@outdoorsforall.org
