Directions to Outdoors for All & Equipment Rentals

6344 NE 74th Street, Suite 102, Seattle — located in Magnuson Park

Note: Outdoors for All is located in “The Brig” Building 406, Community Activity Center. When driving into the park, use the 74th St. NE entrance. Continue east on 74th St. NE a distance of about two blocks until you reach a four-way stop. Take a left at the stop sign at this four-way stop; The Brig / Building 406 is a one story, gray / khaki colored building, northeast of the four-way stop. Our office is located on the northeast end of the building.

There is additional parking and a rear entrance behind The Brig. / Building 406 To access it, travel north past The Brig until you come to a chain link fence and then take a right just past a stand of evergreen trees; travel one block and this road will take you to the back parking lot for The Brig and our office.

By Car:

From Interstate 5: You can exit at either NE 45th Street, Exit #169 or NE 65th Street, Exit #171:

Via I-5 N.E. 45th Street Exit #169, go east on 45th, past the University of Washington and down the 45th Street ramp. Continue east through the NE 45th/Union Bay Place intersection. As the street bears to the left and north, it then becomes Sand Point Way NE. Continue on Sand Point Way NE about 2 miles, you will pass Seattle Children’s Hospital and Sand Point Village/Princeton Avenue. Continue on Sand Point Way till you reach the 74th Street N.E. entrance to park (you may also continue on 65th St NE to enter the park but the map above shows you how to get in via the 74th St entrance to park). Turn right on to 74th Street NE. Follow directions in the “Note” section above.

Via I-5 N.E. 65th Street Exit #171, head east approximately four miles on 65th (stay on the arterial!) until you have reached Sand Point Way NE. Turn left on to Sand Point Way NE. (You can also continue on 65th St NE to enter park, but the map above shows you how to get in via the 74th Street entrance to park). Turn right on the NE 74th Street entrance to Warren G. Magnuson Park (you will go under an arch way building).

From State Route 520 (SR520):

Take the Montlake Boulevard exit (north) and continue north about 1 mile. Bear to the right as Montlake Boulevard becomes NE 45th Street, continue past University Village Shopping Center. Continue east through the NE 45th / Union Bay Place intersection. As the street bears to the left and north, it then becomes Sand Point Way NE. Continue on Sand Point Way NE about 2 miles, you will pass Seattle Children’s Hospital and Sand Point Village / Princeton Avenue.

By Bus:

Metro bus routes 30, 74 and 75 serve the park along Sand Point Way N.E. Connections are in the University District (Routes 74 and 75) and Northgate (Route 75). For schedules and route maps, view the Metro web site: transit.metrokc.gov/tops/bus/neighborhoods/sand_point.html

By Bicycle or Adaptive Cycle:

The Burke-Gilman Trail is about 150 meters west of Warren G. Magnuson Park. The NE 65th Street crossing may be the best point to enter the park for cyclists—it has a traffic signal, crosswalks and dedicated cycle track to-and-from the Burke-Gilman Trail. Once on the east side of Sand Point Way NE and in the park, cyclists may continue either east along NE 65th Street or north along 62nd Avenue NE.
