Caregiver Information

If a participant requires 1:1 care in the school day, in the execution of their activities of daily living, or to meet the EEC, they will need a caregiver within the program as well. This includes medical needs, behavior concerns, wandering tendencies, as well as assistance with toileting or changing clothes, etc. If this kind of supervision is necessary, a caregiver is REQUIRED to accompany the participant, no additional fee will be charged. Please note at registration if a caregiver will be attending.

Caregiver Definition: A caregiver must be able to meet the EEC and support the participant in their meeting of the EEC. A caregiver's primary responsibility is to provide support to the participant. Only one caregiver should attend with the participant unless written approval has been granted by the Outdoors for All Program Director. If an activity allows for the caregiver to participate alongside the attending participant, Outdoors for All will do its best to make space for the caregiver to join as well. Within certain activities, it is not possible to have a caregiver attend alongside the participant. If you are unsure if an Outdoors for All program is the right choice for you or your participant, please contact our office to speak to a staff member.

Illness Protocol

We ask that participants, volunteers, and staff avoid program areas when feeling unwell. If an individual is demonstrating signs of sickness or feeling unwell, the individual may be asked to leave the program until symptoms have subsided.

Drop-off/Arrival & Pick-Up

Participants should arrive ready to participate as best as possible, and no more than 15 minutes prior to the start of their activity, unless specified in the confirmation process.

Participants under the age of 18, or those that do not drive themselves, are to be picked up from the activity area

Late Pick-Up Fee to the participant's ActiveNet account. Participants cannot return to programs unless this late fee is paid in full. Early pick up and late drop offs are only permitted with prior approval from staff leads and only if it doesn't disrupt the activity. (Pro-rates will not be given)

Outdoors for All rental equipment is for Outdoors for All participants only. Fees for equipment rentals are specified in the registration process and are required to be paid before rental pick-up. Outdoors for All charges sales tax on equipment rentals.

Normal wear and tear to equipment is acceptable. Participants are responsible for the upkeep of the equipment throughout the session, reporting damage to Outdoors for All staff, and the safe return of the equipment at the conclusion of lessons. Should the equipment face damage beyond normal wear and tear, or is lost/stolen, the participant is responsible for the maintenance, or replacement, of the equipment through a reputable manufacturer or retailer.

Participants renting for an off-site rental must have appropriate transportation for the equipment and storage to protect the equipment from loss, theft, or damage. Off-site rentals are based on staff availability and must be requested at least two business days in advance. A \$10 cancellation fee will be collected if canceled less than 24 hours in advance. Late returns or payments will incur additional fees based on time and maintenance needed.

Helmets, PFDS, and Related Safety Equipment:

Participants in Outdoors for All downhill winter sports program, cycling, or outdoor climbing programs must wear appropriate helmets. Individuals participating in watersports must be able to appropriately wear a Personal Flotation Device (PFD). In some cases, additional safety equipment will be recommended by staff or volunteers.

Program Management and Expectations

Staff and Volunteers:

Outdoors for All staff are trained instructors in adaptive recreation and passionate about bringing the outdoor experience to everyone. We also utilize the support of trained volunteer instructors and interns during program sessions. All staff members and volunteers are trained to deliver Outdoors for All programs with an emphasis on safety, fun and learning.

Staff members and volunteers are provided the tools and training to coach small groups and one-on-one lessons for winter, cycling, mountain biking, watersports, rock climbing, hiking, and other outdoor activities. To best serve the unique needs, abilities and interests of participants, staff and volunteers have access to participant health forms; better known within Outdoors for All as the Participant Information Form. Staff and volunteers are trained

to utilize the information provided in the Participant Information Form to make equipment selections, set up equipment, and create weekly lesson plans tailored to each student. Staff and volunteers acknowledge the sensitive nature of each participants' form and receive training on information privacy.

Outdoors for All staff and volunteers work to support the needs of each participant within the selected activity and program. Outdoors for All staff and volunteers are not trained to support activities of daily living; such as toileting, medical needs, dressing, or behavioral needs.

The Outdoors for All Foundation will not discriminate in any of our endeavors based on disability, race, religion, sexual or gender orientation or national or ethnic origin.

Abuse Prevention and Reporting:

Outdoors for All does not tolerate abuse or neglect of any kind, between any association of staff, volunteers, participants, family members, or caregivers. In Washington State, abuse or neglect is defined as the physical, sexual, or emotional injury of a child (or vulnerable adult) by any person under circumstances which cause harm to the individual's health, welfare, or safety; or the negligent treatment or maltreatment of a child (or vulnerable adult) by a person responsible for or providing care to the child.

If there is suspected abuse or neglect, or a claim of abuse or neglect, taking place within an Outdoors for All program, or with a participant who is involved in an Outdoors for All program, Outdoors for All has a legal and ethical responsibility to report such suspensions or claims to the appropriate authorities and/or support investigations into such claims of abuse or neglect.

During an investigation, Outdoors for All may limit the participation of individuals involved in the claim. Outdoors for All does not have an obligation to share the details of an investigation with those involved in the claim, to protect privacy and prevent retaliation of those involved.

Staff and volunteers complete yearly training on abuse and neglect prevention and reporting practices within Washington State.

Electronic Communications and Social Media:

Outdoors for All staff and volunteers utilize electronic communications to provide program updates and notifications on the status of programs. Staff and volunteers are trained to keep these communications professional in nature. When writing to a youth participant, or a vulnerable adult, staff and volunteers are advised to include a parent or legal guardian in the communication, or to include another staff member. The most common form of electronic communication is email. Text messages between cellphones is occasionally utilized to provide quicker updates on the status of programs.

Outdoors for All asks that participants writing to staff, or volunteers also keep communications professional in nature, and program related. Should a participant send electronic communications that are not related to a program, staff and volunteers are asked to report these threads of communication to the Program Director for follow-up with the participant, and/or the participant's parent or legal guardian.

Regarding social media, staff are asked to not follow or "friend" any participant. Should a participant choose to

follow or “friend” a staff member, staff are advised not to accept the request from the participant. Should a participant choose to follow or “friend” a volunteer, volunteers are discouraged from accepting the request, especially from youth participants (or vulnerable adults).
