

2025 Adult Adventure Day Camp Schedule

We're excited to share the full summer camp schedule with you! Our goal is to help you feel informed, prepared, and excited for the adventures ahead. Please note that all activities are subject to change based on weather and other factors, as noted in your weekly confirmation emails. A finalized and more detailed schedule for each week of camp will be sent out two weeks prior to its start date. We'll do our best to communicate any updates or changes with you as quickly as possible. You may notice that not all camps follow the same activity lineup or frequency. This variation is often due to factors like the availability of our partner organizations, the age-appropriateness of certain activities, or other scheduling logistics. Thank you for your understanding, we can't wait for a great summer together!
